WEBSITE CONTENT AND BENCHMARK INFORMATION

The information provided on this website is for general informational purposes only.

NH₃X publishes market-related information, reference values, methodology-related materials and analytical content in relation to energy-grade ammonia and related hydrogen market structures.

Unless expressly stated otherwise, content published by NH₃X does not constitute investment advice, financial advice, legal advice, trading advice, a binding price quotation, or an offer to buy or sell any commodity, financial instrument or service.

All information is prepared with care. However, NH₃X does not guarantee that all content is complete, accurate, current or continuously available.

LIABILITY FOR CONTENT

As the operator of this website, NH₃X is responsible for its own content in accordance with applicable laws.

However, NH₃X is not obligated to monitor transmitted or stored third-party information or to investigate circumstances indicating unlawful activity.

Obligations to remove or block the use of information under applicable laws remain unaffected.

Liability is only possible from the time NH₃X becomes aware of a specific legal infringement.

Upon becoming aware of such infringement, the relevant content will be removed without delay.

LIABILITY FOR EXTERNAL LINKS

This website may contain links to external third-party websites.

NH₃X has no influence over the current or future content of such external websites and therefore accepts no liability for external content.

Linked pages were checked for possible legal violations at the time of linking. No illegal content was recognizable at that time.

Permanent monitoring of external linked pages is not reasonable without concrete evidence of a legal violation.

Upon becoming aware of legal infringements, such links will be removed without delay.
